Peachtree Academy seeks to provide all students who want to participate in athletic-type events, the safest conditions of participation. Every child seeking to participate in these events will therefore be required to submit a physical examination by a licensed medical doctor. Such an exam will be at the expense of the student/parent/guardian. The exam is good for one school year.

Any student athlete who has sustained an injury or a health problem requiring a physician's care, must receive a medical release from a licensed doctor before returning to athletic participation.

Any athlete participating must also maintain academic requirements as set forth by PA.

I have read, understand and agree to the above policies.
