

2023-2024 New Student Scholarship Application

Peachtree Academy is a college preparatory school that looks for outstanding students to join our school. To help defray the cost of attending school, we are able to offer financial assistance through the Georgia GOAL Scholarship Program for qualified applicants. GOAL Scholarship awards are to be applied towards tuition costs and will be spread over the year to reduce monthly payments. Registration, matriculation fees, uniforms, school lunches, extracurricular activities and graduation fees must be paid at the expense of the family. Students receive awards based on financial need, academic performance, parental involvement, and good citizenship. The deadline is April 15 for new and returning applicants.. June 1 is for 2nd round funding decisions and July 1 for the 3rd round of funding. Any additional applications will be considered based on the remaining funds available.
